Midwest Area Leadership Event, GUCI - Zionsville, IN

September 2 – 5, 2011

This 4 day biennial event is the brainchild of the Regional Presidents from the Midwest Area regions over the past few years. The event is open to Regional and TYG leadership and advisors from Northeast Lakes, Michigan, Ohio Valley, Missouri Valley, Chicago Area and Northern Regions. It is our hope that by pooling the resources of these regions the quality of leadership training can be improved as well as introducing our members and advisors to a larger network. It is aimed at building leadership skills and developing Regional and TYG leadership.

Fall Kallah – Mitzvah Corps, – Cleveland, OH

October 21 – 23, 2011

This event is open to all NFTY – NEL members and Advisors. It includes a hands-on social action experience.

Winter Kallah/Debates– Thornhill, ON

December 2 - 4, 2011

This event is open to all NFTY – NEL members and Advisors. The general theme for the weekend revolves around Israel or the Arts. We are looking at combining the Debates / competition event and Winter Kallah this year in an attempt to free up calendar space for TYG programming, reduce the number of events parents need to pay for over the course of a year and increase interest and participation in the debates event.

JYG weekend program

**US – Cleveland, OH
Canadian – TBD**

**February 3 – 5, 2012
Jan 13 – 15 or Nov 18 – 20, 2012**

This event is only a possibility right now. It was added to the calendar to see if there is any interest. We would need to find at least two locations (1 US and 1 Canadian) that would be willing to host the teens from their own country. Programming would be run by the Regional Board with the help of TYG Presidents and TYG MVPs.
