6. ACCEPTANCE OF CONDITIONAL SCHOLARSHIP:

It is our pleasure to help support your child's summer experience. In return, we expect that your child will make the commitment to complete his/her studies in our Religious School through High School Graduation. Effective summer 2010, the Board of Trustees has determined that all scholarships are to be considered conditional and will become unrestricted once your child completes the 12th grade of Religious School. Accumulated scholarships given to any student leaving Religious School before this time will need to be paid back using the formula below (starting with fund received for summer 2010):

- Before completing the 8th grade, family to pay back 100% of accumulated scholarships
- Before completing the 9th grade, family to pay back 30% of accumulated scholarships
- Before completing the 10th grade, family to pay back 20% of accumulated scholarships
- Before completing the 11th grade, family to pay back 10% of accumulated scholarships

Relocation outside of the Greater Cleveland area is excluded. Repayment will be made to the original fund(s) where scholarships were granted.

In order for funds to be released to your designated summer program, all fees owed to Temple Emanu El must be paid in full.

I/We have read the acceptance of conditional scholarship and understand the repayment schedule.
